Farmers, Take Notice of Meeting

There will be a meeting at the Hamlin High school auditorium at 8:00 P. M. Monday night, March 9th.

The purpose of this meeting is to sign up more cows and sell more of the necessary stock for the Co-operative Cheese plant that is being built in Anson.

The more cows signed up in the Hamlin trade territory the more benefit Hamlin will receive from it.

Farmers who may participate are not limited to Jones County only, because we plan to map milk routes over Fisher, Stonewall, Haskell and Jones Counties.

The factory building is now under construction in Anson; the foundation for the walls has been poured and the laying of the tile has been started. We plan to open our plant by the last of April.

We would like to have 100 Hamlin territory farmers and business men present.

Yours truly,
Albert L. Allison, Manager
The Jones Co. Dairy Co-operative

Mrs. Addie Teague Died Here Suddenly

Mrs. Addie B. Teague was found dead Feb. 26 in the home of her son W. L. Teague in South Hamlin.

She was born in Alabama, March 25, 1853 and would have been 89 years old this month. She left Alabama at the age of 26 and came to Texas where she resided for several years. From Texas she went to Arkansas and resided there until 1938. For the past 4 years she had made her home with her son, W. L., here in Hamlin and in Stamford.

She was affiliated with the Baptist church but because of ill health had not been able to participate in church activities for a long time.

She was the mother of 14 children, of whom 2 sons, W. L. Teague of Hamlin and J. J. Teague of Arkansas, and 1 daughter, Mrs. Jettie Stokes of Arkansas, survive.

Interment was in East Cemetery by the Barrow Company.

Mmes. Pete Holitzke, Jim Richardson and Loyd Madden of Dayton, came Monday for a visit with relatives. Mrs. Holitzke is a guest in the home of her parents, Mr. and Mrs. W. C. Elkins; Mrs. Richardson is visiting her mother, Mrs. Harbert and sisters Mrs. G. P. Odom and Mrs. John Jenkins, and Mrs. Madden is visiting her parents near McCaulley.

Mr. and Mrs. John Cole and Miss Mildred Cole of Anson visited Mr. and Mrs. Gene Scott Monday night.

REGULAR MEETINGS

Co-operative Extension Work In Jones County

By Charles V. Griffin
County Agent, Jones County

Trophies Awarded 4-H Club Boy
Wayne Ashburn, president of the Plainview 4-H club, was awarded the Texas Cowboy Reunion Trophy for feeding the Grand Champion beef calf of the annual county F. P. A. and 4-H club show held at Stamford Feb. 21. This trophy was awarded by Bill Swenson, president of the Cowboy Reunion Association at the regular Rotary club luncheon at Stamford last week. This trophy will have the 1942 winner's name engraved on it and will be necessary for the same boy to win it three years in succession before it is permanently his.

Wayne was also awarded the Thos. E. Wilson gold medal for the outstanding job done in feeding 4-H club beef calves for Jones County. This is the second year in succession this boy has won the medal.

Rat and Mice Control

Many people living in town and in the country have been complaining about rats and mice. For this reason the county agent's office has ordered some poison grain for their control. This will be available in the county agent's office. Poison grain is very effective for mice and fairly effective for rats, although high quality Red Squill is better for rats. If you cannot buy Red Squill, Barium Carbonate is recommended.

Testing Cows for Bangs Disease

An attempt is being made to get a U. S. veterinarian in Jones county to test all milk cows for Bangs disease. Everyone interested in this should drop a card to the county agent at Anson, and applications will be sent to you as soon as they are received.

Registered Jerseys

We are anxious to place some registered high producing dairy cattle among adults and 4-H club boys. We have some lined up now and are waiting for the owners' lowest dollar offer. Anyone interested in purchasing these should contact Mr. A. L. Allison or the county agent's office at Anson.

Grain Sorghums

There will be a definite shortage of labor this year, and it will grow more serious in 1943. For this reason farmers should be thinking about their grain sorghums for this year. There is a maize crossed with kafir that can be combined and it usually grows from two to three feet in height. This is NOT wheat-land maize but is called "Martin Combine Maize." This seed can be purchased from W. P. Martin, Route 6, Lubbock; or J. S. Smith of Brownfield. We will talk about these crops at your community Defense meeting later on in March.

Sgt. J. T. Sipe of Kelley Field came up Sunday night for a few days with his parents, Mr. and Mrs. Grover Sipe. J. T. is a typical, double-jointed Sergeant, and his job is to "Keep 'em flying." He is inspector of planes, and sometimes he goes up to see how they perform.

Asks to Be Elected Sheriff of Jones Co.

MONROE ETHRIDGE

Monroe Ethridge, who for three years was deputy sheriff and jailor of Jones county, this week makes formal announcement in the Herald for the office of sheriff of Jones County.

Mr. Ethridge, who is 37 years old, came to Hamlin with his mother in January of 1909. Shortly thereafter they settled on a farm in the old Abbey community. Mr. Ethridge grew up in the Abbey and Tuxedo communities.

His formal announcement is as follows: "In asking the people of Jones county for the office of sheriff, I realize that I am asking for a very important and responsible place, one made doubly important and responsible now that we are in a war. However, I am asking for the office because I feel that through training and experience I am qualified to perform the duties of the office in a way that will be satisfactory to the people.

"I have a wife and one child, a 17 year old boy, Bryan Ethridge, who is now a student in Texas Tech at Lubbock. My mother, Mrs. Leona Pruitt, is also a member of my family. My wife was the former Florence Jones, granddaughter of the late Uncle Mose Jones.

"I have lived all but five years of my life in Jones county. My life both private and public, is an open book to the people of Jones county, for many have known me since I was a four-year-old boy.

"I believe in the Democratic principle of rotation of office. It is sometimes well to introduce new blood into the bloodstream of county politics.

"I have always had the co-operation of my fellow peace officers of city, county and state. Such co-operation is absolutely essential in the enforcement of the law.

"I will make this race strictly on my own merits, and I hope to meet every voter in Jones county personally before the election day and present my candidacy to them.

"If I am fortunate enough to receive your vote for the office of sheriff I want to assure you that I will administer the duties of the office in a fair and impartial way. I will at all times, if elected, give you the most courteous service possible. I will appreciate your earnest consideration of my candidacy."

Sincerely yours,

Monroe Ethridge

Three Hamlin Boys In Cavalry Center

Fort Riley, Kansas, Cavalry Replacement Training Center, has 3 men from Hamlin taking their basic military training. It is the only horse and mechanized cavalry replacement center in the country.

The men are: Privates Roy Keith, son of H. D. Keith, Route 1; Onis M. Crawford, son of Sam E. Crawford of near Stamford, but recently employed in Hamlin; and Thomas B. Hill, son of Lewis Hill, Route 4. Crawford also has a brother in the navy in the United States at the present time.

Upon completion of their basic military training these men will be sent to another post for advanced training. —From Public Relations Office.

Mr. and Mrs. J. F. Maberry returned Friday from a visit with their daughter in Canton and their son in Dallas.

561 Registered For Civilian Defense On Saturday, Sunday

About one-fourth of Hamlin's population, or 561 persons, which included many people from out in the rural districts, enrolled last Saturday and Sunday for some kind of service during the present war days.

This list included old and young. Many old fellows got their names on the dotted lines to show which side they were standing on. Maybe some failed to register, forgetting the hours and the importance. Some did not register because they could see no need.

Information furnished the Herald says it is not too late yet. The cards are at the City Hall and there you may register any time they are open. Again, let us say, this is up to the individual, and since we are in war, nobody should "drag" their feet. Each one has a part to play that is very important, and those who "won't play ball" will later find it embarrassing.

Burt Dean Asks For Re-election

Below is the short but effective statement from our County Tax Assessor-Collector, Burt Dean. Burt is asking for re-election and that is what we should expect him to do. Burt has had the office one term and has made a dandy good collector, and certainly he should have the office again and no opponent. So note what he says and when you meet him, just match his smile, if you can.

To The People of Jones County:

I wish to express my sincere appreciation to you for the many courtesies extended, and for the splendid co-operation which you have shown at all times to me and to my office personnel. I have endeavored to carry out the duties of the office of Tax Assessor-Collector in the most efficient manner.

I am taking this opportunity to ask again to be entrusted with this office for the ensuing two years. As in the past, I shall be alert at all times in trying to render to the best of my ability the service you desire.

Thanking you,
Burt Dean

Gilbert Smith Seeks Re-election As Judge

To The Citizens of Jones County:
In announcing for a second term as County Judge, I wish to express my gratitude for the splendid co-operation you have given me.

It has been both a privilege and a pleasure to serve you, although I fully realize the grave responsibility that rests upon the shoulders of a County Judge, and especially those added duties placed there by virtue of this National Emergency. I have tried to accept these with the same serious determination to coordinate every ounce of my ability in the service of the entire citizenship of this county.

The County Judge is chairman of our Commissioners' Court, who are the business managers of the county. It has at all times been our aim to take a long range view of the affairs of this county and we have tried to look into the future welfare of the citizenship as well as the problems confronting each individual today.

The success or failure of any public official, must in a large degree be judged by what is done and not what is said; therefore I point with pride to my record, with assurance that if re-elected my undivided attention shall continue to be given to the duties of the office and my best efforts expended in the service of all the people.

I earnestly solicit your continued support and will greatly appreciate your vote and influence in the coming primary.

Respectfully,
Gilbert Smith

Mr. and Mrs. John Scarborough of Dallas, spent the week end with their parents, Mr. and Mrs. T. B. Scarborough and Mr. and Mrs. Charlie Gregory.

C. E. (Charlie) Gregory For Co. Commissioner

Charlie Gregory is pitching his hat into the ring as a candidate for County Commissioner of Precinct No. 1, Jones county.

In addition to the formal statement from him, as seen below, we learn from him that he has been active in many lines of civic duties in this county. He owns a farm in the Neinda community and has served a long time as a school trustee. Here is his statement:

To The Voters of Precinct No. 1:
Following the suggestions of many of my friends, I have decided to make the race for County Commissioner of Precinct No. 1.

I think I understand, somewhat, the duties of a commissioner and the task before him. I was born and reared in Jones County. I am 38 years of age and I am a farmer of long standing in the Neinda community.

For two years I worked for the Mid-Western Electric Co-operative as a co-ordinator and am at the present time a member of the Board of Directors, which serves seven counties, including Jones and six others north and as far west as Borden.

I want each citizen to consider this notice or announcement as a personal solicitation for your influence and vote. This I shall appreciate, and as time passes along I hope to meet every voter, personally.

Respectfully,
C. E. (Charlie) Gregory

Mr. and Mrs. Charlie Young returned Monday night from a visit with their son, Sgt. Dee Young, stationed at Camp Polk, La. Dee is operating some of the big tanks, in fact he is instructing other soldier boys how to handle tanks. A 30 ton tank responds to his throttles like a baby buggy. Five men make up the crew. Mr. and Mrs. Young arrived in Leesville, La., about 10:30 last Friday night and the soldier son was right on the spot to meet them. From the report of Mr. Young we feel safe in saying again that every parent should visit his sons in the army and see things first hand.

Aviation Cadet Laurence K. King Jr. came up from Brooks Field Tuesday with his assignment to the 53rd Air Base Group to continue his training which will lead to a commission as a 2nd Lieutenant. Laurence volunteered July 18, and is at home now on a 56 day furlough on full pay. He must report on April 27, unless called earlier. Congratulations Laurence, good luck to you.

George S. Clay, son of S. F. Clay, has been assigned to Duncan Field, as a mechanic.

Hamlin Boy Killed In Philippine Fight

A message from the War Department Tuesday night informed Mrs. J. W. Essary of South Hamlin that her son, Harold A. Garrison, was "Killed in action in defense of his country, January 31, 1942."

Harold volunteered for the Regular Army three years ago this coming May. He was 24 years of age on the 18th of last November. Most of his service was in the Philippines. Besides his mother, he is survived by a brother, Sgt. William G. Garrison, now in Hawaii, four sisters and three half-brothers.

Friends of this young man speak in the highest terms of him. He had never enjoyed many chances while young, and those who corresponded with him in the army, say he had shown marked improvements. He was a student in the army school as well as a fighter.

To the bereaved family goes the deepest sympathy of all people in this country. Harold A. Garrison is Hamlin's hero of the first rank. He volunteered his life and gave all—this is a small sample of the sorrows of this terrible conflict.

Some time in the near future a memorial service will be held—somewhere in Hamlin—let all hearts go out to the sad.

Mrs. W. C. Russell Talked About Mexico To Rotary Club

Recently, Mrs. W. C. Russell was in a group of American women, representing Garden Clubs on a sightseeing trip into Mexico. Such a trip is highly interesting, and the reports on what the neighboring republic looks like, and what the people are doing, makes a good program "back home."

Mrs. Russell was the guest speaker at the Rotary Club Wednesday, and with her as guests were her husband Ted, and a neighbor, Mrs. Tate May. To tell what ones sees in a four or five day trip into Mexico City and around about, in thirty minutes, is impossible.

There were about 34 in the special party, and they found Mexico a great out-door garden, under a warm sun. Mrs. Russell is a strong advocate of closer and more friendly relations with our Mexican neighbors. It will pay, she says. She speaks in high praise of the courtesies the Mexican people extend to the English-Americans, in contrast to our way of barring Mexicans from many places of service in Texas.

Mrs. L. F. Young recently returned from a visit with her daughters, Mrs. Bessie Moore and Mrs. Alta Jeffries in Fort Worth and Mrs. Lorena Bartlett in Dayton.

Observe The Following City Ordinances—

Trash

SECTION 2. All persons, firms or corporations now having wooden containers, boxes, barrels, made of combustible materials, or any containers other than those made of non-combustible materials, in the alleys within the fire limits of the City of Hamlin shall remove same immediately and replace them with metal containers.

Hogs

SECTION 1. An Ordinance to prohibit the keeping of more than four pigs by any one person or corporation within the City of Hamlin, and requiring a pen of at least 20 feet square for each hog kept.

Chickens

SECTION 1. That hereafter it shall be unlawful for chickens, geese, turkeys, guineas, ducks, or other fowls to run at large within the City Limits of the City of Hamlin, Texas.

Much complaint is coming from all sections of the town about damage chickens are doing to vegetable and flower gardens. You are violating a law when you let your chickens range over your neighborhood. They MUST be kept up.

People Impatient—

Since last week your Editor has paid especial attention to one theme heard over the radios and on the streets of Hamlin, on the farm roads and wherever one might be in casual conversation . . . it is their feeling of disapproval of how it seems Congress is fooling with "fire" in these days of retreats, defeats and disaster in war.

Texas people have no doubt about how our boys will stand up and fight 24 hours per day; 48 hours, 54 hours, per week, and hours and hours to the very limit of their strength, and win a glorious victory every time, even with half enough equipment. We all know our boys will do this and not grumble, nor flinch.

What Texas people dislike, from what one can learn, with half an open ear, is the way Congress is showing yellow in not amending laws to force men to work long enough and hard enough, while getting big pay enough, to build a great supply of fighting material for our boys who have been forced to go out on the battle lines for the guys back home who are playing traitor by blocking rapid production. That's what the people of

Texas do not like.

Last Friday Congress had an amendment up to do away with 40 hour week labor law. Did they do it? No. The vote stood 226 to 62 and "a volley of cheers swept the House when the result was announced!" What patriotism!

Thanks to our own Congressman Sam Russell for standing up like most Texans would, and "got 'em told." He said, in the debate, "McArthur's men are calling for tools and it is high time for Americans to answer that call."

Listen to another Texan: Congressman Ewing Thomas, "98 per cent of labor is just as patriotic as the members here." Thomason is reported as saying the repeal of the 40 hour law would increase labor disputes. When Congress comes so near "crumbling the whole works," wonder who is the most patriotic?

Remember last year Congress lacked just one vote disbanding our New Army.

Remember Congress fixed it so several hundred thousand soldiers were let out just when they should have been priming for a fight.

Remember all along the cry has been "Out numbered, no planes, not enough tanks." No war can be won on 40 hours per week.

In Japan our American prisoner boys are laboring in the swamps, and who would think "Just 40 hours per week" . . . Who would think Germany is throwing away three-fourths of the time just to please some fantastic labor boss.

Reports are that Japan is making our boys work as prisoners 7 hours per day. Maybe, if they are, they do not want to offend the "Patriotism of Congress" in America. Maybe they are treating our men so nicely they think they can win them over to their "New Order."

In our opinion, labor is letting

Congress do it more harm than good, by keeping a law that most Americans feel is unfair to our soldier boys, right now when every hour counts.

Only two Congressmen from Texas, according to press reports, voted for the Smith Amendment . . . Ed Gossett of Wichita Falls, and Sam Russell of Stephenville. Texas people should remember them with growing gratitude.

Information coming out of Australia, says that civilians are being forced to do defense work, on soldier pay and on soldier regulations. Again we want to say that defense "construction" is if anything, more vital than drilling a soldier all day long for months and finally put him in the field with nothing to fight with. Hence all "defense construction" should be done on soldier pay, under military regulations, with humane hours of work till the job is finished, or until we quit hearing "Outnumbered in men and arms."

Where is that law of 1917-18 that says "If men will not work, put them in the army" . . . There was a law like that wasn't there?

Again we say "We got to get hard-boiled". Better start at once, too.

The Soldier's Herald

Parents or relatives sending the Herald to soldier boys will please help us keep their new addresses up to date. If the Herald is unable to reach them, it costs us 2 cents to learn about it. If their address is unknown, and they are still due to get the Herald, please notify us and we will set their name out till definite address is learned. Those who are responsible for paying subscriptions for the boys will please keep this end up. No paper is more welcome to the soldier boy than his home paper. Help us keep them hearing from home. Remember we would like to send every soldier boy a Herald free, but that is permitting too much on our part. Help us do something for the soldier from Hamlin. (15-tfc)

Letters From Soldiers

Letter From California

February 26, 1942

Dear Mr. Pope and Friends:

Here I am again. I got two Hamlin Heralds today. Boy, I sure did enjoy reading them. There are a lot of boys having to leave Hamlin, but we have a job to do.

We had quite an experience on Wednesday morning about three o'clock. I was on guard. All at once the rest of the crew came running up and getting ready for action. The search lights found the planes and then the noise began. The big guns on the beach began firing and shells began passing over our heads. They exploded and shrapnel began to fall. It put small holes in the roof at the plant. It was really a new experience to me. I know it's just a sample of what we will have to see. Everything was blacked out and cars were kept off roads. The search lights and the guns firing kept the sky pretty light for awhile. The planes were too high for the guns but the guns were sure firing in the right direction. Everything has been quite since then.

I am enjoying army life fine. I have been gone five months and I have learned quite a lot about army life since then.

Hope to be seeing Texas and friends soon, so until then, good luck to you and the Herald.

Parachutist Writes Us

February 25, 1942

Dear Mr. Pope:

Thought I would write you a few lines to let you know where I am and how things are going. At present I am in the Inf. Trg. Bat. at Camp Roberts. We will get 13 weeks training here and then I will be transferred to the parachute troops. I do not know where we will be stationed then.

I think the army life is wonderful. There's plenty to eat and regular sleep. There is not too much hard training but it is regular and a very thorough course.

The day I enlisted, the ground school for the air corps was full so I decided to join the parachute troops. It's a comparatively new organization and one has to be in rather good physical condition in order to qualify. I'm hoping I can meet all qualifications. The pay is \$30 plus \$50 extra for jumping. As one advances or is promoted, his pay is increased accordingly.

You know you've heard it said, "Gee, I wish I was away from Hamlin," but right now I would be greatly pleased to be in Hamlin. It is a wonderful town compared to what few I've seen elsewhere.

I get a new experience tomorrow. That is firing the "1903 or M1 rifle." It is about the same as a 30-30 Winchester rifle. I know I am going to enjoy this and in making a good rifleman, it'll mean that getting a Nazi, Wop or Jap will be easy going and a lot more fun than just shooting at a target.

I guess I had better close and get some rest for tomorrow.

A soldier friend,
J. R. Elliott

Ed. Note: Hello, J. R. As long as you are in the army the Herald will go to you as our gift. Remember you have folded thousands of Heralds and you deserve everything we can do for you. Say, when you start to make that first high jump—think of the Hamlin Herald force, rip her open and land safely.

County Clerk Made

Explosive Licenses

Mrs. Oma Spraberry, county clerk of Jones county, has been made licensing agent of the U. S. Department of the Interior for handling of explosives and their ingredients for the duration of the war.

All persons handling explosives in any way are required by Federal law to secure a license.

Explosives are defined by the Federal regulations as "any chemical mixture that contains any oxidizing and combustible units, or other ingredients, in such proportions, quantities, or packing that ignition by fire, by friction, by concussion, by percussion, or by detonation of the compound or mixture or any part thereof may cause an explosion."

All licenses are good for a term of one year and are not renewable, but application may be made for a new license at the end of one year. Vendors and purchasers of explosives and those handling them are required to secure licenses.

Mr. and Mrs. Ira Stephenson of Bakersfield, Calif., and Mr. and Mrs. C. W. Stephenson and baby, Don, of Paso Rables, Calif., came Saturday to spend two weeks with their mother, Mrs. Dave Scott and Mr. Scott.

Mr. and Mrs. Henry Shipp and little daughter Monette, left Thursday for San Antonio for an extended visit. Mr. Shipp announced last week that his grocery and fixtures were for sale. He got quick results and really meant it. He had been in business in Hamlin over 3 years. He says Hamlin is the finest little town in Texas. His future plans may lead him to be a rail-roader in San Antonio.

Work Animals Fewer Better Care Needed

With 3 per cent decrease in mules and 4 per cent decrease in horses during 1941 and fewer colts raised than in 1940, Department of Agriculture reports show that the supply of work stock for farm power continues its steady decline. At the same time, "Food for Victory" requirements and reduced supplies of power equipment are increasing the demand for power and more efficient power.

To meet the situation, proper care of work stock is of increasing importance this season. Feeding and better care not only produce more power from horses and mules, today, but also lengthen the working life of the animals, thereby reducing annual requirements of colts for replacements.

Good pastures, livestock authorities point out, are especially important in maintaining idle stock economically and for grazing working animals at night and on Sundays. Work stock need ample water and salt at all times, and it is advisable to keep available a mineral mixture of equal parts of steamed bone meal, oyster shell flour or ground limestone, and salt.

Idle stock can be maintained economically on a large proportion of roughage, while working horses and mules must have more grain and protein supplement in rations to work efficiently. Cottonseed meal is a dependable, widely-used source of quality protein for work stock.

A mixture easy to make and feed animals at heavy work consists of: 64 pounds of ground ear corn, 12 pounds of cottonseed meal and 24 pounds of cottonseed hulls. One and three-fourths pounds of the mixture should be fed, daily, for each 100 pounds that each animal weighs, along with all of the good hay they will eat. To prevent mold, ear corn should be ground as it is needed.

By starting now, to give their work stock better care and feeding for the work season ahead, farmers can do much to increase the usefulness of their horses and mules and prolong their useful life on the farm.

Miss Murleen Lauderdale, whose parents reside southwest of Hamlin, came up from Dallas Thursday of last week to spend a few days with her parents, Mr. and Mrs. C. I. Lauderdale. Miss Lauderdale has been working in Dallas for about six months now. She plans to enter training to prepare herself to work in an aeroplane factory near Dallas.

Will Be Presented

In Art Display

The Woman's Literary club will present Mary Eula Sears, of Abilene, well known artist of the Southwest, in a solo show Friday afternoon, March 13, in the home of Mrs. Tate May.

The exhibit will include etchings made in various parts of West Texas, Arizona, Maryland, Mississippi, Virginia, Louisiana and Mexico. There will be black and white etchings and also colors. Water color paintings will include flowers, still life and landscapes.

"Calla Lilly," a large aquaaint etching will be included in the display. In 1940 this etching was awarded Honorable Mention at the Philbrook Museum in Tulsa, Okla., and it was chosen from that show to make a year's tour engagement of the United States at all the major museums.

Miss Sears' pictures have been shown in such art centers as the Dallas Museum of Fine Arts, Museum San Antonio, Delgosa Museum of New Orleans Academy of Fine Arts, Hartford, Connecticut and Buffalo, New York.

First Aid Course

Will Be Offered

Under the sponsorship of the Elementary P-T. A., Mrs. C. F. Butcher, local Red Cross chairman, announces the Red Cross will offer a course in First Aid Training to begin about the last of March. The exact date will be announced later, when it is learned when First Aid text books can be secured.

Oldest farm in U. S. is at Ysleta in El Paso County, on the bank of the Rio Grande. The farm has produced crops since 1540.

Mrs. W. H. Dean

Hostess to Club

The Optimisses 42 club met Friday afternoon, Feb. 27, in the home of Mrs. W. H. Dean. The St. Patrick theme was suggested in the tallies, and refreshments. Mrs. Gilbert won high score for guests. Mrs. Odom and Mrs. Dean tied for members.

Those present were: Mmes. C. B. McGough, Z. T. Wilson, J. S. Dickey, Irwin Smith, W. C. Moore, Roy Gilbert, Billie Stovall, O. G. Harvey, G. P. Odom, Tom Vaughan and Pat Marlowe.

The club will meet next with Mrs. Harvey.

Victory Book Campaign

Is Planned For Hamlin

Hamlin's quota in the Victory Book Campaign is about one-third of the county quota of 2300 books. These books are to be donated from your shelf of books and any kind of readable book, in good condition, will be acceptable. Books are to be placed in army camps for use by the soldiers. Mrs. E. M. Wilson at the Book Shop, has been appointed local chairman, by Mrs. Edwards, county chairman at Anson.

A community campaign is being planned. In the mean time bring your books to either the Red Cross room just south of Inzer's, or to the Book Shop. We want to have our quota of about 700 books in by the last of March.

Mrs. E. M. Wilson

Card of Thanks

We wish to thank each and every one of you who were so kind and considerate at the death of our mother and grandmother.

We also take this means of expressing our appreciation to Barrow Funeral Home.

May God's rich blessings rest upon you is our prayer for you.

Men in the Navy aren't "gobs," cadet members of the University of Texas Naval R. O. T. C. unit insist. It's proper to call them blue-jackets, seamen or sailors, the cadets report in their official journal, "The Spun Yarn," but "gobs" is considered "lubberly."

CHURCH OF CHRIST

"Thy word is a lamp unto my feet and a light unto my pathway." The word of God will guide us to heaven if we will only follow it. (Sometimes people become offended when we tell them exactly what the word of God teaches, but to fail to do so is to be displeasing unto God.)

The greatest cruelty that we can do to our friends is to be too gentle and too kind to tell them the truth. Many a man has been saved by having some brave Paul to look him squarely in the eye and tell him exactly what is wrong.

Christ was not too gentle or kind to say, "Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"

Minister, Luther G. Savage

BOYD CHAPEL CHIRPS

By Mrs. James Ferguson

Mr. and Mrs. Frank Hillier have moved into the Raymond Young Store and filling station and have opened up business there. We are glad to have them move into our neighborhood.

Hershel Prindle a son of Mr. and Mrs. C. M. Prindle, who is a student of the North Texas State Teachers College in Denton, and who will finish his senior year in May, 1943, has enlisted in the Naval Reserve, but will not go into training until he completes his school work. He will attend school in Chicago this summer. Hershel is working his way through school, having had many difficulties and hardships, and sacrifices, but through it all he has been able to make excellent grades. He is a very deserving boy and we are proud of him and his work and know he will make good wherever he is placed.

Mr. and Mrs. J. P. Bingham and Miss McDougal attended the birthday dinner Sunday in the home of Mr. and Mrs. B. W. Neidecken, given in honor of Buster Bingham.

Because of bad weather the crowd was not so large at the P-T. A. meeting Thursday, but all present were well entertained by Mrs. J. B. Goza who had charge of the program.

Mr. and Mrs. Charlie Young who returned home last week from Camp Polk, La., reported a grand trip and that Dee Young was looking well.

The members of the Boyd Chapel H. D. club and several other women of the community met in the home of Mrs. James Ferguson Wednesday afternoon to do Red Cross work. Mrs. Earl Brown, president, opened the meeting with the songs, America, and God Bless America, led by Mrs. V. K. Kelly and Mrs. I. E. McClure. Mrs. Wilson, council delegate, reported that the Boyd Chapel club won \$2.50 on kitchen curtains at the county fair of the 4-H and H. D. and F. F. A. clubs held at Stamford Geb 21. Mrs. T. T. Bingham was elected delegate to attend the meeting of the Texas Home Demonstration to be held at Baird April 7.

The balance of the afternoon was devoted to piecing a quilt for the Red Cross. The club will meet each 4th Wednesday to do Red Cross work. Quilting will be done at the next meeting.

Those present were: Mmes. T. T. Bingham, C. D. Bingham, G. W. Bristow, J. P. Cornelius, R. L. Miltstead, Grady Wilson, V. K. Kelly, E. K. Whittenburg, Clarence Whittenburg, I. E. McClure, Thompson Young, J. A. Holden, Alvin Dean, Sam Tindal, Cecil Bennett, M. L. Haight, C. E. Young, Lee Ward, C. M. Prindle, Earl Brown, Willie Tabb, Miss Willard Bristow and the hostess, Mrs. Ferguson.

Engineer A. H. Abernathy returned Tuesday from the Clinic Hospital in San Angelo where he had been taking a little treatment and check-up. He is feeling quite better and this Friday he will be pulling up the Santa Fe towards Altus. Mr. Abernathy has been a railroad engineer for 30 years and still pulling fine.

NEINDA NEWS

C. E. Gregory had charge of registering the 15 year old and above for civilian defense. Mr. Gregory reported that 108 were registered here. Those helping with registration were: John Brown, C. E. Gregory, Johnnie Mae Brown, Mrs. Ogie Weaver, Charline Turner and Ettie Hodges.

Mr. and Mrs. Johnny Wood and son, Herman, of Dallas, visited in Neinda Saturday and Sunday.

Charline Turner of Abilene spent the week end with her parents, Mr. and Mrs. John Turner.

Mr. and Mrs. John Scarborough of Dallas visited their parents, Mr. and Mrs. C. E. Gregory and Mr. and Mrs. Tom Scarborough.

Little Danny T. Tollison has been ill the past week.

Raymon and Earl Gregory of Dallas visited their parents, Mr. and Mrs. Tom Gregory last week.

A. V. Westmoreland of Dallas spent the week end with his parents Mr. and Mrs. Pink Westmoreland.

Mrs. Ogie Weaver is in bed this week with the flu.

Mr. and Mrs. Arnold Galloway of Lamesa are visiting Mrs. Galloway's parents, Mr. and Mrs. J. V. Hodges.

Mrs. J. A. Morgan has been in bed the past week with the flu.

Grandma Poe was carried to the

Hendrick Memorial Hospital in Abilene last Friday. She was able to return home Sunday, but is going back Saturday for treatments.

Mrs. Alvis Sheppard of Jacksboro is visiting her parents, Mr. and Mrs. Boss Carter.

Mr. and Mrs. Grover Maynard and family spent Sunday with Mr. and Mrs. Bill Maynard.

The Neinda Defense club met Thursday night, Feb. 26 at the school building. Measles and colds kept several from attending, but all present enjoyed the program given by the following business men of Hamlin: Henry Albritton, president of the C. of C.; Ted Russell, I. R. Witt, Harold Bonner, Art Carmichael, W. L. Boyd, Bob Campbell, Kurt Schoemann, Claude Lancaster, and Haskell Carter. Ted Russell was chairman of the committee and spoke on Civilian Defense and the things we can do at home to help win the war.

Bob Campbell spoke on Food For Victory. He gave in per cent the needed amount of increase in milk, peanuts, eggs, slaughtered hogs, beef, and sheep for Jones county to raise. He especially asked all to raise as much garden as they can. I. R. Witt spoke on scrap iron. After hearing his talk we should all gather in every piece of scrap iron. Mr. Witt is asking the people to get the iron in as soon as they can do so, so the factories will have plenty to work with.

Art Carmichael spoke on tractor repair and parts. He asked all men who thought they would need parts soon to order now.

Harold Bonner spoke on stamps and bonds. All enjoyed his talk, but especially the children, as he talked about children doing little things for pay so they could buy stamps.

The club meets again March 26.

Be courteous of behavior and affable to all men; there is nothing that winneth so much with so little cost.—Sir Henry Sidney

Choir practice Wednesday night at 8:45.

The pastor will preach at both the morning and evening services next Sunday with special music and singing of the great old hymns of the church.

Our country is enlisting men in service and calling for sacrifice and true loyalty on the part of every loyal American. Our church also is making a call for sacrifice and loyalty. While we are loyal to our country may we also be true to our church. Real Americans and real Christians, these two go hand in hand. You would not be a slacker to your country. Why be a slacker to your church? Attend church next Sunday and every Sunday and show your colors for Christ.

We welcome visitors.

POT SHOTS FROM McCAULEY

BY GEO. DARDEN

Mr. and Mrs. William Mayo of Plainview are visiting in the home of Mr. and Mrs. Alf Hemphill.

Sammie Lou Wicker, son of Mr. and Mrs. Bill Wicker has volunteered for the U. S. Marines and left Monday for his training base.

Mr. and Mrs. Jack Gallaway who have been living east of town have taken apartments in the home of Mrs. Perryman. Jack is employed at the C. D. Jones garage.

Surprising their many friends, Ira Parker and Miss Pauline Maberry were married in Abilene last Saturday, Feb. 21 by a Justice of the Peace. Mrs. Parker is the daughter of Mr. and Mrs. Dave Maberry of McCauley. Mr. and Mrs. Parker are at home one mile east of town. Our best wishes to the newly weds.

Leonard Allen and Miss Lila Love were united in marriage by the county judge at Colorado City one day last week. Mr. Allen has recently been employed on the D. M. Maberry well; again our best wishes.

Honoring the birth of George Washington, the Masonic Lodge of McCauley were hosts to the members of the Lodge, their wives and invited guests at the Methodist church last Friday night. Levi McCollum acted as master of ceremonies. The program consisted of a reading by Patricia Rector and a solo by Bess Darden. Mayor L. E. Newton of Rotan was the principal speaker who spoke on the life of our first President. A grand feed consisting of delicious barbecue, beans, salads, pies, cakes and coffee was served to one hundred guests.

The senior play at the school house last Thursday night was enjoyed by a packed house, and the seniors netted some thirty-eight dollars from the play.

The ladies of this community are sewing every day for the Red Cross at the Miers gin office and all ladies of the community are urged to help out with this Red Cross work.

McCauley had about a quarter inch rain last Saturday night and from reports, we need a lot more.

Some times we wonder if our Congress is afraid to pass a bill that will outlaw strikes for the duration of the war. All of us are aware of the fact that the C. I. O. and the A. F. of L. have a large voting strength but all of us know that our soldiers, sailors and marines and air force mean more to this nation than does the labor racketeers. When the boys get back from the front they are not likely to forget those strikers who sit down on the job and caused the boys to go into battle unprepared.

The gallant soldiers under General MacArthur have even offered to purchase their own bomber in order to get one, but still the strikers sit down and walk off the job. The fathers of the boys at the front are getting sick and tired of men who fail to keep the machines humming back home in order that our boys might have guns to protect our nation, and if Congress keeps on their appeasement policy towards the labor racketeers, then we can expect the citizens who believe in National Defense to take over and keep the war effort at top speed.

If you don't believe that it is nearly impossible to get a job on a National Defense job without a union card, then try for yourself and if you do not have the ten or fifty dollars fee to pay for a membership card, you might as well go back home and plant a garden. But just wait and see—woe be unto the sit-down strikers—when the boys come home and woe be unto members of Congress who come back home asking for votes, and those who fail our country now, it would be better for them that a mill stone was about their neck and they were cast into the sea.

A DARDEN-O-GRAM.

Red Cross Teaching First Aid and Nursing

Red Cross certification of instructors and arrival of material from headquarters are awaited for beginning classes in nutrition and home nursing. Mrs. George Zachary, Stamford, home nursing chairman, is receiving names for local women wanting this course, and has named these sub-chairmen in Jones county to organize classes there:

Anson, Mrs. G. B. Smith; Avoca, Mrs. Joel Grimes; Ericksdahl, Mrs. Hugo Haterius; Hawley, Mrs. Fannie Meekers; Lueders, Mrs. Tom Smart; Hamlin, Mrs. Frank Waggoner; Tuxedo, Miss Lou Williams. First aid classes in Anson and Stamford are in final weeks, and plans for new work already made. Dale Phelps, Stamford, first aid

chairman, will teach an advanced course for first aiders which will make them eligible to attend a district school later. A district school is expected to be held in Abilene and instructor's rating may be secured by passing prescribed work there. Miss Vera Steely, Stamford, will begin a fifteen hour first aid course for high schoolers about the middle of March. W. A. Haynes, Anson first aid instructor, plans new courses for Anson and Hawley.

Jones countians are urged to register with their local representatives for these courses, and should be eager to do so, Dr. F. E. Hudson, Stamford emergency health director believes. At least 20 per cent of the population should be instructed, he says, for aside from defense value, a knowledge of first aid home nursing, and nutrition are vital for family well being, and the war emergency presents opportunity

for qualified instruction under Cross sponsorship.

Mr. and Mrs. A. F. Dixon, Hyman, are here this week visit their son, Barnard, and daughter Miss Adelle and other relatives.
